Welcome to Douthat State Park. Anglers and sportsmen alike enjoy our natural outdoor offerings such as trout fishing, camping, hiking, cabins and swimming in a rustic and preserved natural setting. Developed in the 1930s, Douthat is a National Historic Landmark that was recently honored with a “Centennial Medallion” from the American Society of Landscape Architects. The award honors the park landscape’s contribution to the community and local culture during the past century.

-  Trails are extensive and may be strenuous. When planning long hikes, wear bright, visible clothing, carry water and notify the office of your departure.
-  Pets are permitted but must be kept on a leash, not to exceed six feet, or in an enclosed area at all times. No pets are allowed in lodges.
-  Swimming is permitted in the designated beach area only. Steep dropoffs, boating traffic and underwater objects make swimming and wading hazardous in other areas.
